

INTERNATIONAL SUPPLIER PERSONAL DATA CONSENT AND AUTHORIZATION FORM

This Consent and Authorization Form ("Form") governs the collection, processing, use, storage, and international transfer of personal data provided by suppliers and their representatives in connection with business activities in the mining and natural resources sector.

1. Data Controller

ESLOP USA INC, including its affiliates and subsidiaries ("Company"), acts as the data controller.

2. Personal Data Collected

The Company may collect and process the following categories of personal data:

- Full name and identification details (passport, national ID)
- Business and corporate affiliation
- Tax identification numbers
- Contact information (email, phone, address)
- Banking and financial information
- Compliance-related information (e.g., beneficial ownership, sanctions and screening data)

3. Purposes of Processing

The Company processes personal data for legitimate business purposes, including:

- Supplier onboarding, qualification, and due diligence
- Evaluation of technical, financial, and operational capacity
- Contract negotiation, execution, and administration
- Payment processing and financial management
- Compliance with applicable legal, tax, regulatory, and internal policy requirements
- Anti-corruption, anti-bribery, anti-money laundering, and sanctions compliance
- Supply chain traceability and responsible sourcing of minerals
- Health, safety, environmental, and security management
- Risk management, audits, and internal investigations

4. International Data Transfers

The Supplier acknowledges and agrees that personal data may be transferred to, accessed from, processed, and stored in countries outside of their country of residence, including jurisdictions where the Company or its service providers operate.

Such jurisdictions may not provide the same level of data protection as the Supplier's home country. The Company will implement appropriate safeguards, consistent with applicable laws and internationally recognized standards, to ensure an adequate level of protection of personal data.

5. Data Sharing and Disclosure

Personal data may be disclosed, on a need-to-know basis, to:

- Affiliates and group companies
- Financial institutions and payment processors
- Regulatory authorities and government agencies
- Third-party service providers, including those supporting compliance, due diligence, auditing, IT systems, and security

6. Data Retention

Personal data will be retained for as long as necessary to fulfill the purposes described in this Form and to comply with applicable legal, regulatory, and contractual obligations.

7. Data Security

The Company implements appropriate technical and organizational measures designed to protect personal data against unauthorized or unlawful access, loss, alteration, or disclosure.

8. Supplier Rights

Subject to applicable laws, suppliers may have rights in relation to their personal data, which may include access, correction, deletion, or restriction of processing.
